Dear Sir or Madam

Caddo Fire District #3 provides fire protection and EMS 911 transport for 144 square miles of western Caddo Parish. We have a Board of Commissioners who serve without salary or per diem. Two of the members are appointed by the Town of Greenwood and two members are appointed by the Caddo Parish Commission. We will soon have a vacancy in one of those positions as our Chairman is moving out of State. I have been asked if I have any recommendations. The father in law of one of our firefighters has been mentioned as a possible appointee. Would this appointment be a violation of the Code of Ethics?

Respectfully,
